

MATH 2630-080 — Calculus III — Summer 2013

Instructor Information:

Name:	Steven Clontz
Office:	Parker 140F
Office Hours:	MTWR 0915-1000, F 0800-1000
Office Phone:	(334) 844-3738
Email:	steven.clontz@auburn.edu

Course Information:

Room:	Parker 250
Lecture Times:	MTWR 0800-0915
Final Exam Date/Time:	Wed 7/31 0800
Credit Hours:	4
Text:	Calculus 7e (Stewart)

Course Description:

Pr., MATH 1620 or MATH 1627 or MATH 1720 Multivariate calculus: vector-valued functions, partial derivatives, multiple integration, vector calculus. Credit will be given for only one of MATH 2630, MATH 2637, or MATH 2730.

(Per http://www.auburn.edu/student_info/bulletin/courses.pdf)

Grading:

The majority of the grade will be determined by a midterm and final exam, with some credit coming from weekly quizzes.

Grade Distribution

Quizzes	10%
Midterm	40%
Final Exam	50%
Total	100%

Assignment of Letter Grades

Grade	Percentage
A	90% - 100%
B	80% - 89%
C	70% - 79%
D	60% - 69%
F	0% - 59%

Makeup Policy:

The Midterm and Final can only be made-up if there is a university excuse presented within one week of the regularly scheduled exam. Refer to

<https://sites.auburn.edu/admin/universitypolicies/Policies/PolicyonClassAttendance.pdf> for the list of acceptable excuses. It is the student's responsibility to make arrangements for any work and/or notes missed due to an absence.

The instructor must be notified by email within 24 hours of missing the exam that an excuse will be presented. Failure to give adequate notice may result in a 10% deduction in grade on the exam. Foreseeable absences (such as band or athletic trips) must be reported to the instructor one week in advance.

Quizzes missed due to an excused absence are not required to be made up - instead, the next quiz's grade will be counted toward the missed quiz.

Americans with Disabilities Act (ADA):

Students who need accommodations are asked to electronically submit their approved accommodations through AU Access and to arrange a meeting during office hours the first week of classes, or as soon as possible if accommodations are needed immediately. If you have a conflict with my office hours, an alternate time can be arranged. To set up this meeting, please contact me by e-mail. If you have not established accommodations through the Office of Accessibility, but need accommodations, make an appointment with the Office of Accessibility, 1228 Haley Center, 844-2096 (V/TT).

Academic Honesty:

All portions of the Auburn University student academic honesty code (Title XII)

<https://sites.auburn.edu/admin/universitypolicies/Policies/AcademicHonestyCode.pdf>

will apply to this class. All academic honesty violations or alleged violations of the SGA Code of Laws will be reported to the Office of the Provost, which will then refer the case to the Academic Honesty Committee.

Tiger Cards may be checked before any assignment is accepted.

"I believe in honesty and truthfulness, without which I cannot win the respect and confidence of my fellow men."

Contingency Plan:

If normal class and/or lab activities are disrupted due to illness, emergency, or crisis situation, the syllabus and other course plans and assignments may be modified to allow completion of the course. If this occurs, an addendum to your syllabus and/or course assignments will replace the original materials.

Participation:

Students are encouraged to participate in lecture by answering questions and coming to the board to work problems. The instructor will keep track of students' participation and assign a letter grade at the end of the semester. This participation grade will be the minimum grade assigned by the instructor provided that the Midterm and Final are both passed.

Calculators and Electronics:

Calculators are not required and will not be allowed on any exam. Students are invited to use electronic devices to access online materials during lecture provided they are not disruptive.

Canvas:

Much of the content for this course, as well as all grades, will be posted online to the Canvas learning management system. Access Canvas by visiting

<http://auburn.instructure.com/>

Please refer to the Student Policy eHandbook

http://www.auburn.edu/student_info/student_policies/

for more information - for example, what to do if you have three or more finals scheduled on one day.
