<https://sites.auburn.edu/admin/universitypolicies/Policies/PolicyonClassAttendance.pdf> for the list of acceptable excuses. It is the student's responsibility to make arrangements for any work and/or notes missed due to an absence.

Americans with Disabilities Act (ADA):

If a student has a disability under ADA and requires accommodations, he/she should contact the Office of Accessibility for information on appropriate policies and procedures. Students needing accommodations should try to meet with their instructor as soon as possible since accommodations cannot be granted retroactively. For any questions or an appointment contact the Office of Accessibility in Haley 1228 or call (334) 844-2099.

Academic Honesty:

All portions of the Auburn University student academic honesty code (Title XII)

<https://sites.auburn.edu/admin/universitypolicies/Policies/AcademicHonestyCode.pdf>

will apply to this class. All academic honesty violations or alleged violations of the SGA Code of Laws will be reported to the Office of the Provost, which will then refer the case to the Academic Honesty Committee.

Tiger Cards may be checked before any assignment is accepted.

Contingency Plan:

If normal class and/or lab activities are disrupted due to illness, emergency, or crisis situation, the syllabus and other course plans and assignments may be modified to allow completion of the course. If this occurs, an addendum to your syllabus and/or course assignments will replace the original materials.
